### About Diverse Electronics

Founded in 1993, Diverse is currently celebrating its 25th anniversary as a franchised electronic component distributor and production equipment and consumables supplier. ISO 9001:2015 certified, Diverse Electronics distributes products from an extensive range of more than 100 world-class manufacturers, resulting in the largest inventory of electronic component and production supply products in Canada. The company also offers flexible material management programs to help its customers address the industry’s rising material acquisition costs.
