

Diverse Electronics Named a 2020 Top 50 Distributor

Diverse Electronics is very pleased to have been named as a **Top 50 Electronic Distributor for 2020**, according to the latest survey just released by *SourceToday*. The company has been in the Top 50 every year it has participated, since 2014.

“Diverse is quite pleased to be named a Top 50 distributor once again,” said Rick Masciotra, President. “2019 was very positive on a number of fronts. We acquired several new franchise lines, increased our staff by 10%, and our integration into the Western market with an office in British Columbia was very well received. These advancements have helped us ride out today’s economic challenges.”

SourceToday presents its Top 50 Electronics Distributors report each year, providing a look at the largest players in the North American electronics distribution market. *SourceToday* is a leading online provider of news and information pertaining to the technology and trends that impact global supply chains.
