

Diverse Electronics Named a 2022 Top 50 Distributor

Diverse Electronics is pleased to have been listed as a **2022 Top 50 Distributor**, according to a survey just released by *SourceToday*. Diverse has been recognized as a Top 50 Distributor every year it has participated in the survey.

“Diverse is honoured to once again be recognized amongst its peers,” said Rick Masciotra, President and CEO of Diverse Electronics. “While the industry continues to face numerous challenges, we have been able to manage the turbulence, continue to support our customers, and post positive returns. We are confidently looking to the future for continued growth.”

SourceToday, presents its Top 50 Electronics Distributors report each year, providing a look at the largest players in the North American electronics distribution market. The online publication is a leading resource for technology information, news and trends impacting global supply chains.

About Diverse Electronics

Founded in 1993, Diverse Electronics is an authorized stocking distributor of electronic components, production tools and equipment, and industrial components. Diverse distributes products from an extensive range of world-class manufacturers, resulting in the largest available inventory in Canada. ISO 9001:2015-certified, the company also offers flexible material management programs to help its customers address the industry’s rising material acquisition costs.
