

Comfort

- Comfort head cradle – positions the respirator more comfortably on the head, reducing pressure points and hair pulling
- Soft, silicone nose cup and faceseal
- 3M™ Cool Flow™ Valve for easier breathing and cool, dry comfort
- Large lens for excellent peripheral vision
- Low profile bayonet cartridge attachments, designed for improved balance and better weight distribution

Durability & Security

- Long-lasting head harness – straps pulled over one million times in durability testing
- Six-strap configuration for a secure fit
- Silicone nose cup and faceseal – engineered for maximum durability and resilience

Easy to Use/Easy to Clean

- Paint and stain-resistant lens – 3M's exclusive Scotchgard™ coating causes some paints and stains to bead up on the surface so they can be wiped off easily and helps lens stay clearer during spray applications
- Scotchgard™ Semi-permanent Lens Cover – lasts longer than standard tear-aways while also providing the benefits of the Scotchgard™ coating
- Respirator attachments – twist on and off easily for quick assembly and disassembly
- Bonded silicone gaskets – eliminates loose gaskets that can be lost

Specifications

Brand	3M Signature Products
Connection Type	Bayonet
Mission Type	Aircraft, Ships, Vehicles
Operation Type	Facility Safety, Maintenance, Repair & Operations, Overhaul
Product Type	Full Facepiece
Recommended Application	Assembly, Cleaning, Demolition, Facility Maintenance, Grinding, Machine Operations, Painting, Remediation, Sanding, Welding
Recommended Industry	Automotive, Construction, Food & Beverage Manufacturing, Manufacturing, Metal Production & Fabrication, Military Maintenance, Repair and Operation (MRO), Mining, Oil & Gas, Pharmaceutical, Transportation
Size	Medium
Trademark	3M™
