### **Product overview: Fluke TLK-225 SureGrip™ Master Accessory Set**

Test leads are an integral part of the complete measurement system. Worn out test leads can cause inaccurate readings and pose serious shock or electrocution hazard. The Fluke TLK-225 SureGrip™ Master Accessory Set with 13 items is the perfect replacement kit that provides flexibility and comfort with all SureGrip™ leads and probes in a convenient six pocket, roll up pouch.
