

Zero Charge Screen & Keyboard Cleaner

Product# 1743

Product Description

Removes hand oils, ink marks, dust, and other contaminants from computer equipment. With regular use, cleaner will eliminate static charge from sensitive surfaces and provide long-term static protection.

Features / Benefits

- Cleans plastic & glass
- Leaves ESD-safe coating
- Leaves no insulative film
- Nonflammable
- Non-corrosive
- Non-ozone depleting

Usage Instructions

Saturate a lint free wipe with cleaner. Rotate cleaning side of cloth periodically and re-saturate. For hard to reach areas such as keyboards, saturate a foam swab and clean between keys.

Environmental Policy

Techspray® is committed to developing products to ensure a safer and cleaner environment. We will continue to meet and sustain the regulations of all federal, state and local government agencies.

Resources

Techspray® products are supported by global sales, technical and customer services resources.
