

Tracetech Conductive Pen

Product# 2505

Product Description

The TraceTech Conductive Pen is a silver ink pen for repairing electronic traces. The pen contains a fast drying, silver filled ink designed to quickly make highly conductive silver traces.

The TraceTech board repair system allows any level of technician to quickly perform quality board repairs in-house without the use of expensive equipment or time-consuming and unsightly jumpers. Meets IPC board repair standards. Other trace Tech pens are available to allow quick convenient and high-quality board repair and rework.

Features / Benefits

- Repairs traces
- Makes smooth jumpers
- Silver-based ink
- Fast cure 3-5 minutes at room temp.

Packaging and Availability

2505-N 4.9 ml pen, 12 pens / case

Environmental Policy

Techspray® is committed to developing products to ensure a safer and cleaner environment. We will continue to meet and sustain the regulations of all federal, state and local government agencies.
